Dear Parent/Guardian:

The Washington Parish School Board operates under an existing Federal Court Order that outlines school attendance zones that balance the student population of each school. This court order allows some flexibility under certain conditions for parents to request exceptions to this order on a **yearly basis**. For a student to attend a school outside his established attendance zone, **a request must be made each year** for cause (medical, athletic, academic, hardship, or administrative). Applications for a medical transfer must be accompanied by a Physical Examination form from two (2) physicians who do not practice in the same office. If making an application for hardship transfer, Request for Transfer on the Basis of Hardship forms must be completed and signed by each employer if both parents are employed.

The request and application must be made on application forms that are approved by the Washington Parish School Board. Please find the necessary forms attached to this letter. The application and documentation must be on file in the School Board Office or with the principal of the school that you wish to transfer to, **between March 1 and April 12, 2024. Parents/Guardians will be notified only if the transfer request is denied.** For transfer requests to be approved, requests must be for just causes and properly documented. **Washington Parish School Board will not furnish transportation to any child attending school out of his/her home district.**

Pre-kindergarten seats are limited. Available pre-kindergarten seats will be filled by students who live within the school attendance boundaries first. Any transfers within the district will then be considered.

All applications must be **filled out completely and signed by the principal** of the school that you wish to transfer to before forwarding it to the School Board Office.

If you have any questions as to the proper procedure, please contact the school in your attendance zone or the Supervisor of Child Welfare and Attendance at the Washington Parish School Board Office.

Sincerely,

Jennifer Thomas
